## Drum Fans

### Features

- 24,30,36,42,48,60 inches diameters, to meet different demands.
- Durable heavy-duty all metal construction, Portable design with wheels.
- Powerful direct drive or belt drive for different choices.

## Pedestal Fans

### Features

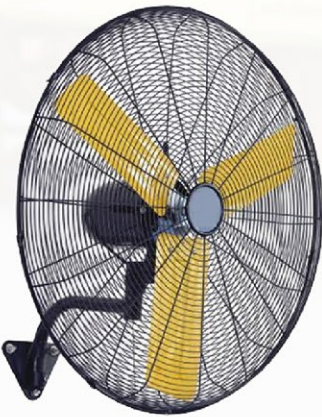

- 24,30 inches diameters, to meet different demands.
- Two functional options: Oscillating or Non-Oscillating

## Wall Fans

### Features

- 20,24,30 inches diameters, to meet different demands.
- Two functional options: Oscillating or Non-Oscillating

## Floor Fans

### Features

- Powerful direct drive
- Internal Orbit Floor Fan.

### Features

- Powerful direct drive
- Orbital Floor Fan.

### Pack up finished fans

Comprehensive packaging to give fans overall protection.

### Motors Checking

All motors are made by our factory.

### Air pressure testing

Rigorous tests to ensure the highest quality of our products.

**WINMORE**  
always aim to  
provide clients  
with quality  
products.

### Fan Blades Testing

To assure all fan blades are balanced.

### Showroom

Various types for your different choices

### Production Process
